

Community Shred Day and Food Drive

Protecting your personal information is vital. One of the most effective ways to prevent identity theft is to shred the personal documents and financial information you no longer need.

New this year, we are now collecting computers, cell phones and other small electronics (no TVs/CRTs). Computers collected will be used in Triangle E-cycling's E-Scholar Program, supporting STEM education. To learn more visit their website: Triangle E-Cycling

While you're here, also help us fight hunger by bringing non-perishable food items for PORCH. PORCH is an all-volunteer, grassroots hunger relief organization whose mission is to collect and distribute food for families going hungry in the Chapel Hill and Carrboro area.
