Keeping the big financial picture in mind can be a challenge when you’re just beginning to make a life for yourself. The list below is a great way to start. Check off the items that apply to you, and take some time to think about how you can start to tackle them. If this feels like a lot to handle, that’s okay – I am here to help you make those life decisions while keeping your big financial picture in view.

### Defining Characteristics
- Having and raising children
- Arranging for child care
- Moving into a home (or bigger home)
- Greater income need
- Career advancement

### Opportunities

- Review estate plan
  - Work with a licensed attorney to draw up/update a will
    - Name guardians
  - Discuss if a trust is necessary
- Assess income situation and prioritize education, retirement, and other savings goals
  - Use credit wisely
  - Continue to save for joint goals
    - Home (bigger home)
    - Vehicle
    - Vacations
- Discuss and understand tax benefits of having children
- Discuss and consider starting a 529 savings plan or other education fund
  - Set up automatic transfers
  - Estimate college costs
- Maximize employee benefits; comparing your benefits and employee offerings against your partners
  - Retirement
  - Flex spending accounts
  - Daycare spending accounts
- Evaluate life insurance needs
- Provide for family healthcare and long-term care
  - For new children, add your baby to your health insurance plan
  - Ask about other employee benefits
- Ensure adequate disability, property and liability insurance

“Give your children the best chance at success – and that starts with having your own finances in order.”

— Tim Steffen, CFP®, CPWA®
Director of Advanced Planning

The future you want for yourself doesn’t just happen – you have to make it happen with smart financial choices. I can help you get started or clarify the overwhelming.
